JOURNEY WITH ARTS & DEMENTIA

Journey with Arts & Dementia (JADe)

Through the use of the JADe reminiscence starter kit, people living with dementia are encouraged to share their life experiences, memories and stories from the past. You may use this JADe Digital Kit containing images of reminiscence objects to engage your loved ones with dementia in conversation.

While they may not have experience with some of the items in the photos, go with their flow and encourage them to participate.

The theme for this deck of images is **Wedding**.

Potty

Given during a traditional Chinese wedding as part of the bride's dowry. It symbolises the addition of children into the family

Guiding Questions

1. What does the potty symbolise?
2. What is this used for?
3. Where have you seen this before?
4. Where can you buy this?

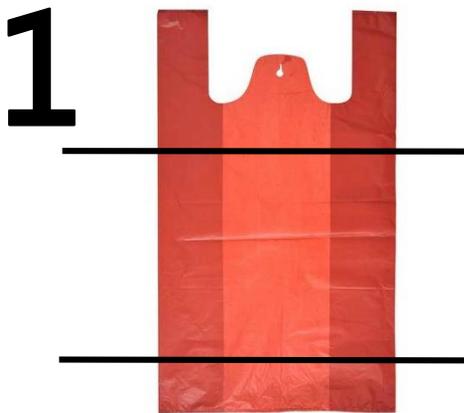

Suggested Activity

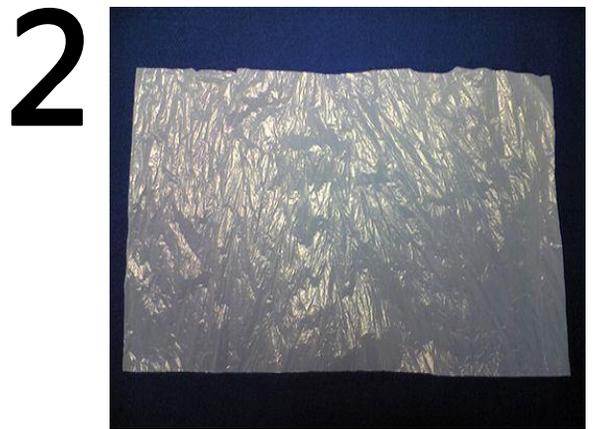

Make a plastic bouquet (1/2)

Materials needed:

1. A recycled plastic bag
2. A soft wire or thread
3. A pair of scissors

Cut off the top handle and bottom seam of the plastic bag

Cut the bag open at one side and flatten it out

Fold and cut the bag into at least 8 small squares, depending on your preferred size of flower (Suggested size for a start: 7cm x 7cm)

Stack the square pieces together and create an accordion

Suggested Activity

Make a plastic bouquet (2/2)

5

Use the softwire or thread and tie a knot in the middle of the accordion.

6

Use the scissors to cut the edges of the accordion, depending on the type of flower you would like to make

7

Form the petals of the plastic flower by separating the pieces of plastic at each side of the accordion

8

Your flower is done when the separation is complete. To create a multi-colour flower, mix and match your square pieces of plastic from Step 4
